## Before and After School Care Policy

### PURPOSE

Before and After School Care is dedicated to providing a high quality programme offering the service to both our children and parents of Newton Central School.

### OUR VISION

We believe in the safety of our children whilst providing an environment where they can LEARN, PLAY and GROW.

### OUR VALUES

**Commitment** – We are committed to our students and aim to provide a comfortable environment for them to be involved with.

**Positivity** – We strive to provide a positive environment and ensure our students uphold this core value.

**Respect** – We value each other and ourselves, showing a greater understanding for ones similarities and differences.

**Teamwork** – We treat one another with respect and work as a team to ensure BASE is a safe and enjoyable place for all students to attend.

**Diversity** – We celebrate and embrace diversity as an essential component to who we are and welcome all from different backgrounds with open arms.

**Fun** – Above all else, we aim to provide a fun environment for our students.

### REPORTING

The Before and After School Co-ordinator will report directly to the school Principal on the performance of the school's Before and After School program once every two weeks. At the beginning of each term a programme plan for the following term will be present.
