Grow Learner Capacity

Local Curriculum

Meeting the needs of our community

Strategic Initiatives

- Embed a high trust model of reflective practice.
- Prioritise staff wellbeing

- Develop initiatives to enhance literacy and numeracy skills across school
- Empower students to take ownership of their learning.
- Targeted PD to meet needs of all students – agency for wellbeing.

- Curriculum – review current curriculum, identify strengths and areas for improvement.
- Implement a comprehensive Kaitiaki programme for our school community

- Develop clear property plan to meet future needs.
- Finalise constitution to create clarity in our commitment towards Te Tiriti o Waitangi
- Review staffing structures to ensure fit for current and future purpose
